From (Name) E.M. Gawne, Esquire, I.C.S.,

(Designation) District Magistrate of South Kanara.

To The Secretary to the Government of Madras,

Law (General) Department,

Madras.

Sir,

M.R.Ry. B. Ramanna Shetty Avl., L.M.E. (Hons.), who was appointed Inspector of Motor Buses for South Kanara, joined duty on 1st March 1928.

2. I request that Government may be pleased to sanction an allotment of Rs.25 per year for the Inspector - Rs.15 for service postage stamps and Rs.10 for stationery and other contingencies. The Inspector has to prepare and despatch copies of his programme to the Bus Companies at the places which he intends visiting, and he has some times to carry on correspondence with the owners of Bus Companies in connection with inspection of buses. I would draw attention to the fact that in South Kanara where there are many unbridged rivers,

Bus Companies are scattered all over the district and the post is the only suitable means of communication. Rs.25 per year seems a fair estimate of the expenditure which will be incurred by him for this purpose, and economy will be enforced, by the Inspector's contingent bills being made payable, only after countersignature by the District Magistrate.

Your obedient servant,

District Magistrate.

Subject Motor Vehicles - Bus Inspector of S. Kanara - allotment for stamps and Contingencies

(N) Govt

In G.O. 365 Law (Genl). dt 3.2.28, the Govt. sanctioned temporarily for one year with effect from 1.3.28, a post of Inspector of Motor buses in the S. Kanara Dt. on a salary of Rs 250 plus a motor cycle allowance of Rs 25. A peon on Rs 12 a month was also sanctioned for the same period.

14-1-28 The D.M. S. Kanara requests that an annual allotment of Rs 25 - Rs 15 for service postage stamps and Rs 10 for stationery and other contingencies may be sanctioned for the Inspector. The reasons for the necessity of the proposed allotment have been explained in paragraph 2 of

4 2 9

The D M's letter.

The estimated annual income from fees in the S. Kanara Dt. was estimated at Rs 4992. The annual expenditure including the proposed allotment comes to only Rs 3469/. There is still a big surplus left. The annual allotment of Rs 25 applied for may perhaps be sanctioned ~~Finance should see~~. The amount being small, it may be met by reappropriation. Finance should see.
